Message Series July 1 - August 19

All of us are in search of meaning. If we are not careful, we will look in all the wrong places and look to all the wrong people to address the void of meaning in our life. While King Solomon asserts that "everything is meaningless", the voice of God teaches us a redemptive lesson through the Book of Ecclesiastes, that "everything is not meaningless, but everything is missional". Join us in this eight-week series as we use Solomon's wisdom to develop a missional mindset and live differently.

Summer Small Groups

If you're looking for a place to connect relationally and to grow spiritually this summer, contact Pastor Kim to join one of our two brand new summer small groups. Both groups will begin the first week of July. Watch for details on times & location and they become available this month. The groups are:

- 1. The Art of Marriage - open to any married or engaged to be married couple.**
- 2. The book of Ecclesiastes - open to anyone.**
