GOD'S GRAND VISION FOR A MULTI-ETHNIC CHURCH

Message Series November 4 - 25

There are one hundred and ninety-five countries in the world and seven thousand and ninety-seven languages in the world. We live near what is said to be "the most multi-ethnic city in the world". How can there be unity in the midst of such diversity? Christ—He is the answer to all racial tension inside and outside the church. Join us over the next four weeks as we travel through the Bible in search for God's grand vision for a multi-ethnic church.
