WPA is a community of believers in Jesus Christ, striving to think biblically, grow spiritually, and live missionally in everyday life.

We're glad you're here.

Thanks for being our guest this morning! We invite you to fill out the guest card found in the pew racks and bring it to the Welcome Desk in the foyer at the end of service. We would love to meet you and answer any questions you may have.

Message Series January 6 - 27

We all have preconceived notions as to what discipleship is and what it requires of us. Without studying who Jesus is and what He modelled to us with His disciples, we will never fully understand what kind of discipleship Jesus is calling every Christian to emulate. It moves us from isolation into community. Join us as we start the new year making a critical shift in our discipleship.
